

TGroups: A Model for Multiplying Disciples in Contexts Where Local Churches Like Yours Already Exist

Note: This model borrows heavily (with full permission) from Zume Training, building on it for contexts where churches already exist. Learn more about Zume at www.Zume.training

Watch a quick backgrounder for how to use this chart at: <https://vimeo.com/561982324>

Week Scripture ("Look up")	Theme of Training Spotlight	Media	Link	Go Deeper	Link
